Tasting Notes

We currently have two whites and a rose in our range:

Semillon Sauvignon Blanc 2005

A fresh fruity wine with the tropical fruit characters producing a well rounded palate. It has a refreshingly delicate finish, a perfect partner to accompany chicken dishes with a hint of chilli or as an aperitif.

Sauvignon Blanc 2006

A brilliant pale straw colour wine with tropical and stone fruit primary aromas supported by lifted floral notes. The mouth filling palate is balanced and refreshing with lingering fruit flavour. This wine is the perfect companion to seafood and Thai cuisine.

Lumiere Rouge 2006

A delicious vibrant dry French style wine made from our spectacular Cabernet Sauvignon fruit. The palate is round, nicely balanced with clean blackberry fruit flavours and a hint of strawberry perfume. The long lasting finish is pleasantly dry an excellent lunchtime experience.

Our four reds are:

Cabernet Sauvignon Merlot 2004

The 2004 Cabernet Sauvignon Merlot is a blend of 65% Cabernet Sauvignon and 35% Merlot. It is a fruit driven style with characters of plum, cherry and cedar. The palate is medium bodied and fruity. A perfect partner to grilled lamb marinated with exotic spices and served on a bed of cous cous or rare steak seared with peppercorns in a red wine sauce over a combination of pureed sweet potato and pumpkin.

Cabernet Sauvignon 2004

This premium red is made from grapes grown during a perfect vintage. The 2004 Cabernet Sauvignon displays typical Margaret River characters of cassis, cherry, chocolate and mint. The palate is soft and fruity. This sophisticated wine will improve if cellared. Right now it will compliment any dish that craves for a rich red wine. Beef Wellington, Fillet Mignon or steak of your choice.

Unoaked Cabernet Sauvignon 2004

Our Cabernet Sauvignon unoaked wine has a delicious blend of mint and chocolate aromas and a fruit driven palate. Perfect with lamb and as a lunchtime experience.

Shiraz 2005

Medium bodied blackberry and pepper overtones great partner with Mediterranean cuisine or full bodied cheeses

Peacetree Estate takes its name from the olive trees that were planted at the same time as our vines. The vineyard is situated in the Wilyabrup Valley in the heart of the Margaret River wine region.
